Mr. Johnson, Owner  
Johnson Tree Service  
3006 Jackson Ave.  
Chicago Heights, IL 60411

Dear Mr. Johnson,

Please accept this letter of accolades and sincere thanks for the services that you have rendered in removing two fallen trees from my property on two different occasions in the past seven months. The jobs have been done in excellent time with the upmost of professionalism. My neighbors expressed all positive statements about how their property was left or maintained, while completing the work. You have been willing to work with the pricing set by the insurance company and it is rare to find a company that is willing to partner with home owners. It has been my pleasure to work with you and your employees.

Again, I truly thank you for the services provided and I'm willing to give a personal reference to those who might need to talk with someone about their experiences with your company.

Sincerely,

Francine Anderson
